

Holiday Workshop

In an effort to bring the holiday spirit to the families and children at the hospital, we will be coordinating a fun-filled afternoon on **Friday, December 23rd from 2pm to 5pm**. The event will include "shopping", gift wrapping, and holiday refreshments for the in-patient families of pediatric patients and gift-making and Santa photos for the hospitalized pediatric patients. In order to make this possible, we would appreciate any assistance you or your organization could provide.

There are a variety of ways you or your organization can help.

We are in need of:

- **Personal time** (people to volunteer between the hours of 2pm-5pm on the day of the event)
- **Donations of holiday decorations** (to include, but not limited to: tablecloths, wall and window décor. Please no decorations that require an electrical outlet)
- **Donations of gift wrapping supplies** (holiday wrap, tape, ribbon & bows)
- **Donations of new, unwrapped gifts** for pediatric patients, ages 0-18 years (a Wish List is available if you have interest in donating gifts)
- **Donations of plastic silverware, napkins, plates, & cups**

****REPLY BACK TO ME IF YOU WANT TO HELP OUT AT THIS EVENT WE ARE LOOKING FOR ABOUT 10 VOLUNTEERS ☺**

THANK YOU
